

July 8, 1941.

Mr. Ed. Gottlieb,  
Philadelphia, Pa.

Dear Gottlieb:

I expected a phone call from you last night, as you know, but I assume you just proceeded to arrange the trip as you felt best, and it was not necessary to call. I thought I better drop you this line in order to eliminate any confusion. As things stand now the Eagles and Stars are in Richmond Monday, the 14th, Norfolk, Tuesday, the 15th. The Eagles are in Norfolk Wednesday, the 16th with either the Stars or the Elites. You have no doubt ordered the placards for which ever team we will play there by now. The Eagles and Elites are in Richmond Thursday, the 17th and Baltimore Friday, the 18th. The Eagles and Elites are in some spot supplied by Art Carter Saturday, the 19th. You have send the Stars publicity directly to these places. I have taken care of the Eagles. Will you ask Vernon Green to send something about the Elites.

Can you possibly help me out about some publicity about St. Louis? If you do not have anything, please send me the name and address of the St. Louis man, so I can contact him. You know they are playing us here on July 27th, and I have never had one line from them except scheduling the game at the Meeting.

Please pardon me for not having sent you a statement about last years booking. First I started to work on it and went to Atlantic City for a few days, since my return I have not been able to get back to work on it again. I will make every effort to take care of it before the week is out.

Very truly yours,

EM:CCJ

P. S. I have booked myself to play July 24th in Stamford, Conn.
